17 Liability Company, d/b/a ALBERTSONS;

19 CORPORATIONS I through X, inclusive,

20 Defendants.

CASE NO.: 2:20-cv-02356-RFB-VCF

STIPULATED PROTECTIVE
ORDER

21 In connection with the production of confidential documents and other confidential
22 information in this action, Plaintiff, EILEEN ROTH (“Plaintiff”); and Defendant,
23 ALBERTSONS, LLC (“Defendant” or “ALBERTSONS”), through their respective counsel,
24 hereby enter into this Stipulated Protective Order.

25 **1. Purpose of this Protective Order**

26 The purpose of this Stipulated Protective Order is to provide a means for limiting access
27 to and use and disclosure of Confidential Documents or Information produced in this action. Any
28

1 unauthorized disclosure of Confidential Documents or Information in violation of this Order may
2 be subject to discipline by the contempt powers of this United States District Court for the District
3 of Nevada.

4
5 **2. Designation of "Confidential Documents or Information"**

6 The Parties may designate such documents or information as "Confidential" in accordance
7 with the following procedures:

8 **a) "Confidential" Documents or Information.**

9 Any Party may designate any documents, records, reports, video tapes, tangible items, or
10 information as "Confidential." Upon a designation of "Confidential," the Parties shall treat any
11 designated document, record, report, video tape, tangible item, or information as Confidential and
12 shall only use such document, record, report, video tape, tangible item, or information solely for
13 the prosecution or defense of this matter.
14

15 **b) Time of Designation**

16 Unless otherwise agreed between counsel for the Parties, the designation of Confidential
17 Documents or Information shall be made at the time of the production of documents, records,
18 reports, video tapes, tangible items, or information.
19

20 **c) Manner of Designation**

21 The designation of Confidential Documents or Information shall be made in the following
22 manner:

- 23
- 24 1. For documents, by placing the notation "Confidential" on each page of such document;
 - 25 2. For tangible items, including any video tapes, documents, or information produced on
26 magnetic disks or other computer related media, by placing the notation "Confidential" on the
27 object and, if applicable, on the container thereof or if such are not practicable, as otherwise
28 agreed by the Parties. In the event a Party generates any "hard copy" or printout from any

1 “Confidential Material,” that Party must immediately stamp each page “Confidential,” and the
2 hard copy or printout shall be treated as Confidential Information pursuant to this Stipulated
3 Protective Order.

4 **d) Retroactive Designation**

5
6 1. Inadvertent production of any Confidential Documents or Information without a
7 designation of confidentiality will not be deemed to waive a later claim as to confidentiality or
8 privilege, or prevent the Party claiming confidentiality from re-designating such documents or
9 information as “Confidential” promptly after discovery of the inadvertent production.

10
11 2. Within a reasonable time after production, a Party may retroactively designate (or
12 withdraw a designation) of Confidential Documents or Information, regarding any material that
13 it has produced, provided however, that such retroactive designation (or withdrawal) shall be in
14 accordance with the terms of this Order. Such retroactive designation (or withdrawal) shall be
15 accomplished by notifying counsel for the non-designating Parties in writing of such retroactive
16 designation (or withdrawal). Upon receipt of any such written re-designation, counsel (i) shall
17 not make any further disclosure or communication of such retroactively designated material
18 except as provided for in this Order; (ii) shall take reasonable steps to notify all persons known
19 to have possession of any retroactively designated material of the effect of such re-designation
20 under this Order; and (iii) shall take reasonable steps to procure all copies of such retroactively
21 designated material from any persons known to have possession of any such retroactively
22 designated material who are not entitled to receipt under this Order.

23
24 **e) Resolution of Disputes Regarding Designation**

25
26 If a Party, at any time, wishes to have the “Confidential” designation of any particular
27 Confidential Documents or Information removed or changed, that Party shall first request in
28 writing that the Party having made the designation at issue change its designation. Thereafter,

1 the Parties shall make good faith efforts to resolve the dispute. If the designating Party refuses to
2 agree to remove or change the designation, then the Party that requests that the designation be so
3 removed may make a motion before this Court for an order removing or changing the designation;
4 provided, however, that the designating Party shall have the burden of proving that such particular
5 Confidential Document or Information are properly designated as “Confidential” pursuant to *infra*
6 Part III. At all times during the process of challenging a designation, the Parties shall treat the
7 Confidential Documents or Information as originally designated until a change is agreed to or the
8 motion is decided by the Court and written notice of such decision is served on the Parties.
9

10 Any motion filed with respect to this Stipulated Protective Order or documents labeled
11 “Confidential” must comply with the local rules of the United States District Court for the District
12 of Nevada.
13

14 **f) Designation of Third Party Documents.**

15 Documents and/or information produced by a third party in response to a subpoena or
16 during deposition in the course of this litigation may involve receipt of information, documents,
17 things or testimony which include, contain or comprise protected information that may or may
18 not be appropriate for “Confidential” designation under this Order. Unless otherwise agreed in
19 writing between counsel for the parties, documents and information so produced by a third party
20 shall be treated as follows: First of all, all such documents and information shall automatically
21 be deemed to be and shall be treated as “Confidential” for twenty (20) business days following
22 their actual receipt by both counsel for Plaintiff and counsel for Defendants in this action, in order
23 to enable each such counsel to determine whether in their view any protected information is
24 embodied therein. If no designation of the information as “Confidential” by the Designating Party
25 is received by a non-Designating Party within twenty (20) business days after production, then
26 the information will not be protected by this Protective Order except pursuant to subsequent
27
28

1 designation by a party hereto or pursuant to a subsequent agreement of the parties or Court order;
 2 if however a written designation of “Confidential” is made by a Designating Party and is received
 3 by the non-Designating Party within twenty (20) business days after production of documents or
 4 information by the non-party, then the information will be subject to this Protective Order and
 5 will be deemed to be “Confidential” (as requested by the Designating Party); provided, however,
 6 that the designation may be challenged as any such designation.
 7

8 Lastly, to the extent third party documents or information contains information that is
 9 confidential and/or proprietary to the third party, the third party can avail itself of the protections
 10 set forth in this Order and designate documents and/or information it produces accordingly by
 11 executing this Order and agreeing to be bound by its terms.
 12

13 **3. Persons to Whom Confidential Documents or Information may be Disclosed**

14 **a) Disclosure of Documents or Information Designated as “Confidential”**

15 Documents or Information designated as “Confidential” may be disclosed and copies may
 16 be provided only to:
 17

- 18 1. Counsel of record and their personnel;
- 19 2. Expert witnesses or consultants retained by the Parties or their respective counsel in
 20 connection with this action who have complied with *infra* Section III.C.;
- 21 3. Outside court reporting services and court reporters as may be reasonably necessary in
 22 connection with the preparation or conduct of this action;
- 23 4. This Court and its personnel, or any other tribunal of competent jurisdiction having
 24 involvement in this matter and its personnel;
- 25 5. Any mediator or arbitrator selected by the Parties to mediate or arbitrate this action; and
- 26 6. Representatives of the Parties.
- 27
- 28

///

1 **b) Additional Authorized Disclosure of Documents or Information Designated**
 2 **as “Confidential”**

3 Notwithstanding anything to the contrary in *supra* Section III.A., particular Confidential
 4 Documents or Information that have been designated as “Confidential” may be disclosed and
 5 copies may be provided:

- 6 1. To persons who are explicitly named on the document as the authors or addressees or to
 7 persons who may be shown to be an author or recipient of any particular document;
- 8 2. To any other persons with the prior written consent of the designating Party;
- 9 3. To any other persons with the prior authorization of this Court or any other tribunal of
 10 competent jurisdiction having involvement in this matter; and
- 11 4. If a document designated as “Confidential” refers to the conduct or affairs of a potential
 12 witness, the Party’s counsel of record may and shall discuss such conduct or affairs with such
 13 person without revealing the existence of the document, or its authors or source.
 14
 15

16 **c) Disclosure to Experts or Consultants**

17 Prior to disclosing or providing copies of any Confidential Documents or Information to
 18 any expert or consultant pursuant to *supra* Sections III.A. or III.B., the Parties shall first obtain
 19 the agreement of the expert, consultant or anyone else to whom such disclosure will be made to
 20 be bound by the terms of this Stipulated Protective Order as set forth in the attached
 21 “Acknowledgment and Agreement to Be Bound.” Specifically, the expert or consultant shall
 22 acknowledge that, during the course of his or her retention, the expert or consultant may have
 23 access to, and become acquainted with Confidential Documents or Information, which are
 24 regularly used in the operation of the businesses of the designating Party and in which the
 25 designating Party has an expectation of confidentiality. The expert or consultant shall agree not
 26 to disclose such Confidential Documents or Information, directly or indirectly, to any person or
 27
 28

entity not subject to this Stipulated Protective Order or use them in any way outside the specific scope of his/her retention as an expert witness in this action, or at any time thereafter.

d) Return of Confidential Documents or Information by Experts and Consultants

Confidential Documents or Information disclosed to any expert or consultant may be retained by such expert or consultant provided that such expert or consultant subsequently destroys any and all copies of such Confidential Documents or Information upon the termination of their engagement.

4. Use of Confidential Documents or Information

a) Use of Confidential Documents or Information Generally

Confidential Documents or Information shall only be used by the Parties, their respective agents, and any other persons to whom such Confidential Documents or Information may be disclosed pursuant to this Stipulated Protective Order: (1) in this action; (2) as otherwise compelled by lawful process (provided the designating Party is given a reasonable notice to object); or (3) as otherwise required by law. Notwithstanding the foregoing, nothing in this Stipulated Protective Order shall prevent or limit the designating Party from disclosing Confidential Documents or Information they so designate.

b) Use of Confidential Documents or Information in the Conduct of this Action

1. Confidential Documents or Information may be used by counsel for the non-designating Parties in good faith in connection with investigating this action, provided that the Confidential Documents or Information are protected pursuant to the terms and conditions of this Stipulated Protective Order.

2. The terms of this Stipulated Protective Order do not apply to evidence presented at or for court proceedings and/or trial in this matter unless so designated by the Court. Any protective

1 measures relating to Confidential Documents or Information should be taken up with the judicial
2 officer conducting the particular proceeding at the appropriate time.

3 3. If a Party seeks to file pleadings or other documents with this Court that contains another
4 Party's Confidential Documents or Information, it may do so only if: (a) the pleading and other
5 documents that contains another Party's Confidential Documents or Information are filed under
6 seal in the manner prescribed by the Court; and (b) the filing Party informs the designating Party
7 of such filing prior to the filing of such documents with the Court.
8

9 **5. Return of Confidential Documents, Testimony, or Information**

10 Upon written request after the final conclusion of this action, the Parties shall:

11 A. Return to the designating Party any and all Confidential Documents or
12 Information so designated by that Party and all copies thereof in its possession, custody and
13 control or otherwise destroy such documents;
14

15 B. Ensure that all Confidential Documents or Information in the possession, custody
16 or control of any permitted parties or third parties are returned to the designating Party or are
17 otherwise destroyed; and
18

19 C. Destroy all notes, memoranda or other documents that contain excerpts from any
20 of the Confidential Documents or Information.

21 Notwithstanding the foregoing, counsel for the non-designating Party may retain all
22 documents which are required to be retained under an applicable legal malpractice insurance
23 policy for the duration specified by the insurance carrier. Further, attorney work product,
24 attorney-client communications, and information derived from Confidential Documents or
25 Information may be retained by the non-designating Party and its counsel.
26

27 **6. No Probative Value**

28 This Stipulated Protective Order shall not aggregate or diminish any contractual, statutory

1 or other legal obligation or right of any party or person with respect to any Confidential
2 Documents or Information. The fact that information is designated “Confidential” under the
3 Stipulated Protective Order shall not be deemed to be determinative of what a trier of fact may
4 determine to be confidential or proprietary. This Stipulated Protective Order shall be without
5 prejudice to the right of any party to bring information before this Court, regardless of (a) whether
6 any particular material is or is not Confidential, or (b) whether any particular information or
7 material is or is not entitled to a greater or lesser degree of protection under the terms of this
8 Stipulated Protective Order, provided that in doing so, the party complies with the procedures set
9 forth herein. The fact that any information is disclosed, used, or produced in any proceeding in
10 this action shall not be offered in any other action or proceeding before this or any other Court,
11 agency or tribunal as evidence of or concerning whether or not such information is admissible,
12 confidential or proprietary.
13
14

15 **7. No Implied Waiver of Admission**

16 No party shall be obligated to challenge the proprietary nature of any designation of
17 “Confidential” information, and the failure to do so shall not constitute a waiver or otherwise
18 preclude a subsequent challenge to the designation.
19

20 **8. Modification of this Stipulated Protective Order**

21 The Parties hereto may modify the terms of this Stipulated Protective Order by further
22 stipulation. However, no modification by the parties shall have the force or effect of a court order
23 unless the Court approves the modification. Alternatively, any party hereto may seek an order of
24 this Court to modify the terms of this Stipulated Protective Order. Any motion seeking such
25 modification must be served upon all counsel of record and filed in accordance with this Court’s
26 filing procedures.
27
28

1 **9. Execution and Counterpart**

2 This Stipulated Protective Order may be executed in one or more counterparts, each of
3 which shall be deemed to be an original, but all of which together shall constitute one and the
4 same instrument.

5 Facsimile or electronic signatures shall be binding upon the Parties hereto and may be
6 submitted and considered as originals.
